Objective

I am a motivated individual with strong analytical skills with a passion for learning and welcome challenges. I am looking for an UI / Front-End Developer position to push my technical skills and quench my thirst for problem solving while growing with the organization.

Skills

- HTML, CSS, LESS
- JavaScript, JQuery, JSON
- Knowledge of Bootstrap, Angular JS
- Sublime, WebStorm, Git, Github
- Mortgage: DU, LP, Point, Data Trac

Experience

UI Developer/ Front-End Developer   **June 2015 – Current**

- Familiarity with HTML5 and CSS with ability to hand-code markups
- Knowledge of variables, objects, functions, arrays, loops and expression
- Knowledge of using jQuery library for event handling and DOM manipulate

Bonding Time   **January 2014 – June 2015**

- Took time off to bond with my newborn child while switching career

Florida Capital Bank, Underwriter   **October 2012 – January 2014**

- Analyzed complex income documentations, including entity financials and income properties
- Negotiated alternative solutions on adverse decisions with upper management
- Treated all customers with positive "can-do" attitude

Bay Equity, LLC, Underwriter   **August 2011 – September 2012**

- Conventional, Homepath, DU Refi Plus, Multiple Financed, FHA Streamline (Chum ID GE62)
- Implemented underwriting worksheet/template to increase accuracy and efficiency
- Proactively communicate via email, phone and instant message with internal and external clients to resolve issues within minimal timeframe

Bonding Time   **September 2010 – July 2011**

- Took time off to bond with my newborn child

Wachovia (Wells Fargo), Sr Credit Decision   **August 2008 – June 2009**

- Achieved 130% of quota in underwriting mortgage loans
- Exceeded expectation in customer service ratings

Washington Mutual (Chase), Sr Underwriter   **October 2002 – June 2008**

- Project managed with outsource vendors to promote efficiency and cost effectiveness
- Appointed to Credit Risk Team to ensure optimum quality level of mortgage loans
- Increased efficiency and minimized pricing errors, thus reducing financial losses

Awards

- Top Producing underwriter with Florida Capital Bank, Bay Equity, Wachovia, Washington Mutual and Wells Fargo
- Wachovia – Share Success Award
